

# 2019 Summer Tennis Academy

Now kids 12 and under can compete like the big kids because the smaller courts, slower balls and appropriate sized rackets let them learn fast.

## LEVELS

### Tennis Tots

The goal of Tennis Tots is inspiring young children in a fun and nurturing atmosphere and teaching them developmentally sound and age appropriate physical skills (including coordination, balance, agility, reaction, jumping, skipping, throwing, catching, tracking, handling the racquet and hitting). Group size is limited to 6 students per instructor and parent participation is encouraged.

**Age Guideline:** 3 - 4

**Class Length:** 45 minutes

### Red Ball

From the moment they step on the 36 foot court, kids learn the physical skills necessary to rally the ball and play the game of tennis, including coordination, balance, agility, reaction, jumping, skipping, throwing, catching, tracking, handling the racquet and hitting with biomechanically sound technique. Both introductory and more advanced classes are offered. Class size is limited to 6 students per instructor.

- **Stars:** This class is designed for beginning players. Stars spend a large percentage of their time learning the physical skills necessary to play tennis. They also participate in competitive games and limited point play.

**Age Guideline:** 4 - 6

**Class Length:** 60 minutes

- **Aces 2:** Aces 2, our older beginning players, follow a similar progression as Stars.
- **Age Guideline:** 6 - 8      **Class Length:** 60 minutes
- **Aces 1:** Aces 1 are children who have developed the basic skills taught in Stars and/or Aces 2. Students work more on technical stroke production, movement and point play. They also are introduced to match play. Many of these students would benefit from playing USTA team tennis and tournaments.

**Age Guideline:** 5 - 8

**Class Length:** 60 minutes

- **Squad (by invitation only):** Students in Squad have a good grasp of the strokes, positioning and rules required for competition and match play. In drilling and match play, the focus is on consistency, placement, movement and more advanced stroke technique. Tactics and strategy are introduced. These students are encouraged to play USTA team tennis and tournaments.

**Age Guideline:** 5 - 8

**Class Length:** 60 minutes

### Orange Ball

Playing on a 60 foot court, kids hone their skills and stroke technique. Both introductory and more advanced classes are offered. Class size is limited to 6 students per instructor.

**Age Guideline:** 9 - 10

**Class Length:** 60 minutes

- **Orange Ball 2:** This class is designed for beginning players. Players work on the physical skills necessary to play tennis as well as stroke biomechanics, consistency and movement. They also participate in competitive games and point play.
- **Orange Ball 1:** This class is for players who have developed the basic skills taught in Orange Ball 2. Students work more on technical stroke production and point play. They also are introduced to match play and taught basic tactics and strategy. Many of these students would benefit from playing USTA team tennis and tournaments.
- **Squad (by invitation only):** Students in Squad have a solid foundation in the stroke technique, positioning and rules required for competition and match play. In drilling and match play, the focus is on consistency, placement, movement and more advanced stroke technique. More advanced tactics and strategy are taught. These students typically play USTA team tennis and tournaments.

### Green Ball (1 and 2)

Green Ball 2 is designed for pre-teen and teenage beginning players or those recreational players moving from orange ball. Now on a full size court, players work on the physical skills necessary to play tennis as well as stroke biomechanics, consistency and movement. They also participate in competitive games and point play. Class size is limited to 6 students per instructor. Green Ball 1 students are typically tournament players.

**Age Guideline:** 11 - 13

**Class Length:** 60 minutes

### Yellow Ball

This class is for players who have developed the basic skills taught in Green Ball. Students work more on technical stroke production and point play. They also are introduced to match play and taught basic tactics and strategy. Many of these students would benefit from playing USTA team tennis and tournaments. Class size is limited to 6 students per instructor.

**Age Guideline:** 12+

**Class Length:** 60 minutes

## OUR EXPECTATIONS

Like dance lessons and sports seasons, you are making a commitment to spend the entire session with us when you join the Tennis Academy. Our goal is to teach your child to play tennis - great tennis if they're willing to work hard. In order for that to happen, we need to see his/her happy face here - regularly and often.

If you absolutely must drop mid-session, **we must be notified by the 15th of the month** via a text to Mary or Will (see numbers below) to avoid being charged for the following month. For families that have paid in full for the session, we will refund the equivalent of installment payments still remaining in the session.

## REGISTRATION FEE

We charge a \$25 registration fee for enrollment/re-enrollment into the Academy. This fee will be waived if you contact us about your preferred schedule and provide a payment source by 5:00 pm on Friday, May 17. If you register but do not attend classes the first month, you will be charged for the month and dropped from the Academy.
