# DISCIPLINE

The LRRC reserves the right to remove a child from any program or activity if the child's behavior jeopardizes his/her own safety, that of others, or is so disruptive that the enjoyment of other participants is diminished. The LRRC uses "timeout" to encourage good behavior. A child who must take a timeout will be removed from participation and is required to sit alone quietly for 1 minute for each year of age, i.e., a five year old would incur a 5 minute timeout whereas an eight year old would sit for eight minutes. This policy will be clearly explained to each child at the beginning of camp. Parents will be informed on a daily basis if their child was put in timeout. Continuous behavioral problems may result in removal from camp.
