

SETTING UP OUR APP

① DELETE OUR OLD APP

The new app's icon is similar. Doing this first will help avoid confusion.

② DOWNLOADING THE NEW APP

Search the App or Play Store for “The Athletic Club +” and download the app.

③ SIGN UP

Click “Sign up with Email.” Do NOT log in with Facebook.

Use the email address associated with your membership. If you do not know the email address associated with your account or would like to change your email, please email support@lrac.com.

If you get an error message telling you that you already have an account, try using the temporary password “abcd1234.” If that does not work, call the Club at 501-225-3600.

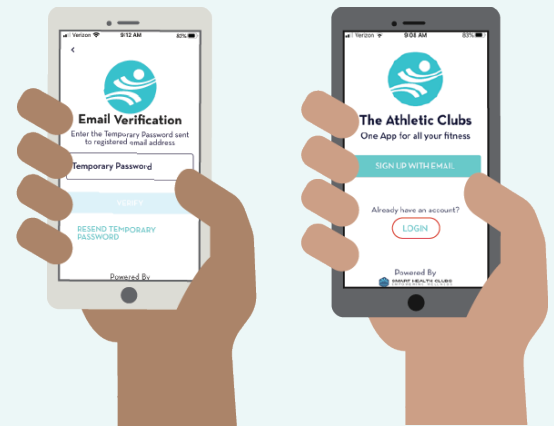

④ SELECT YOUR CLUB

Choose your main club location. If you are an all-access member, select the Club at which you joined. (You will still be able to see information from all of them.)

⑤ VERIFICATION

If you are creating a new account, you may come to an Email Verification screen. Please check your email for your temporary password. Put the code into the app and “LOGIN.”

⑥ SET UP YOUR PROFILE

Click on the home button on the bottom left-hand side of the app. Click on the PROFILE icon. Fill out the form completely, including your barcode. Your barcode is necessary for scanning into the Club. If you need help accessing your barcode, you can email support@lrac.com.

⑦ MEMBER PORTAL - EMPOWER M.E.

If you would like to see your charges, make a payment, change your payment source, confirm tennis lessons, reserve a spot in pickleball open play, etc., you are looking for “Empower M.E.” - our club management software’s online portal. The Member Portal icon in the app is a gateway to Empower M.E. and operates the same as if you were accessing your account through “Member Login” on our websites. Please note, the Empower M.E. login is separate from the app’s login and, for security reasons, you will be asked for your password every time.

⑧ QUESTIONS

Please contact support@lrac.com with any issues.
